LOCAL means SOMETHING!

Market Insight and Local Renown

“Focusing on the LA market is a core part of our strategy that has yielded tremendous benefits for our nurses. They get access to the hottest L.A. assignments before the orders even hit the market, many of which are exclusive to only Core MedStaff. We are often called the “go-to” for LA nursing and we love it!”

– Therese Nery, President

At Your Side

“I love that I get to meet every single one of my Travelers in person. Not only do I get to greet them at orientation, but I can pop over and grab coffee or lunch with them anytime. It’s the most fulfilling part of my job and I know it means a lot to my Travelers who are adjusting to a new environment.”

– Kelly Prosser, Recruiter

Facility/Assignment Expertise

“I’ve learned that the best way to give my nurses what they’re looking for is to truly understand each hospital, unit and environment. If you can’t catch me on my phone, it’s probably because I’m at one of our client facilities walking the halls with my nurses.”

– Amanda Stubbs, Recruiter

Per Diem Prowess

“I help our nurses make even more money in L.A. by getting them those 4th and 5th registry shifts at one of the 50+ hospitals we work with. It’s this little golden nugget that our travelers can’t get anywhere else and I get to give it to them!”

– Stefani Poblete, Recruiter Tech
